1. Introduction

This Agreement covers the use of Intelligent Editing’s products, software, websites, online services, cloud-based services, and other services listed or described herein (the “Subscribed Services”).
2. Description of the Subscribed Services

2.1. Subscription and Right to Use.

2.1.1. Right to Use. We grant you the right to access and use the PerfectIt Cloud services and to install and use the PerfectIt Classic software included with your Subscription, as described in this Agreement. We reserve all other rights.

2.1.2. Subscription Service. Access to and use of the Subscribed Services is purchased as an annual subscription (the “Subscription”). Your right to use or access the Subscribed Services is limited to the Subscription Period. You may extend your Subscription. If you extend your Subscription, you may continue using the Subscribed Services until the end of your extended Subscription Period. After the expiration of your Subscription, you will no longer have the right to access or use the Subscribed Services.

2.2. PerfectIt Classic Software.

2.2.1. Downloadable Software. PerfectIt Classic (formerly known as “PerfectIt Pro” or “PerfectIt Standard”) is the downloadable version of PerfectIt for PCs. It is usually referred to by its version number (for example, “PerfectIt 3” or “PerfectIt 4”).

2.2.2. Limited Term License. As part of your Subscription, we provide use of or access to PerfectIt Classic software. You may install and use the PerfectIt Classic software in connection with your use of the Subscribed Services. You must uninstall the PerfectIt Classic software when your right to use it ends.

2.2.3. No Software Sale. The PerfectIt Classic software is licensed, not sold, and we reserve all rights to the PerfectIt Classic software not expressly granted by Intelligent Editing, whether by implication, estoppel, or otherwise.

2.3. PerfectIt Cloud Services and API Access.

2.3.1. Cloud Service. PerfectIt Cloud service is the version of PerfectIt available from the Microsoft Office Store, which works over the Internet, with automated updates and no installer. Your right to access or use PerfectIt Cloud services is provided as a service on a subscription basis. Each time that you access or use PerfectIt Cloud services, your Subscription will be verified. Certain limited information, including the Activation Information and information regarding your Microsoft account (the “Verification Information”) will be transmitted to us for this purpose only.

2.3.2. User Interface. If we provide access to PerfectIt Cloud services via our application-programming interface (“API”), when available, as part of the Subscribed Services, then subject to the other terms, we grant you a non-exclusive, personal, revocable, non-sublicensable and non-transferable right to interact with the API only to access, use, or otherwise interact with the Subscribed Services as allowed by the API.
3. Our Responsibilities

3.1. Your Privacy. Your privacy is important to us. Our Privacy Policy in Section 9 (the “Privacy Policy”) describes the types of data we collect from you and your devices (“Data”) and how we use your Data. The Privacy Policy also describes how we use your content, which is the files you upload through the Subscribed Services (“Your Content”). By using the Subscribed Services or agreeing to this Agreement, you consent to our collection, use and disclosure of Your Content and Data as described in the Privacy Policy. PerfectIt Classic software does not automatically collect or transmit Data or Your Content.

3.2. Your Content. We don’t claim ownership of Your Content. Your Content and your Data you upload remains your property and you are responsible for it. You warrant that any content provided by you does not belong to a third-party whose rights have been violated by the content being uploaded to the Subscribed Services.

3.3. Service and Technical Support.

3.3.1. Technical Support. Technical support is provided via email and such other means as we decide to provide a proper service. Support is limited to no more than two hours per user per year. If you use PerfectIt Cloud service, we may use or access account and device information, error reports, and malware reports to provide service to you and to improve the Subscribed Services (the “Error Information”). If you use only the PerfectIt Classic software, you may choose to send Error Information to us so that we may provide service to you. The PerfectIt Classic software does not automatically collect or transmit any Error Information to Us, so we may not be able to provide technical support if you choose not to collect and send it to us. We reserve the right not to provide a full technical support service to free or trial account users.

3.3.2. Service Level Goals. We try to ensure that the Subscribed Services are available and functioning fully at all times. We strive to keep the PerfectIt Cloud services up and running; however, all online services suffer occasional disruptions and outages, and Intelligent Editing is not liable for any disruption or loss you may suffer. We strongly recommend that you regularly and completely backup all of Your Content and Data before running Subscribed Services.

4. Your Rights and Responsibilities

account or username and password using the names and information of another person or using words that are the trademarks or the property of another party (including ours), or vulgar, obscene or in any other way inappropriate. If you create an account on behalf of an entity, such as your business or employer, you represent that you have the authority to bind that entity to this Agreement. You cannot transfer your account to another user or entity. We reserve the right, with or without notice, to suspend or terminate any account in breach.

4.1.4. **Multiple Devices.** If you comply with this Agreement, you may install and run the Subscribed Services on multiple devices, for use or access only by the licensed user. Where applicable, the Subscribed Services are linked to your Microsoft account. Only one user per Microsoft account may use or access the Subscribed Services on a licensed device at one time. The components of the Subscribed Services are provided for use or access as a single unit, and you may not separate or virtualize the components.

4.1.5. **Group Services.** Where we provide an organization with a number of user licenses for the Subscribed Services, this limit must be adhered to. Accounts and access rights cannot be shared. A breach of this clause will cause termination of the abused accounts and/or all accounts provided to the organization.

You further agree that your use of the Subscribed Services may be subject to additional agreements that we have with your organization.

4.1.7. **Internet Connection.** For the PerfectIt Cloud services, you’ll need an internet connection. We will not reimburse you for any costs of your internet connection.
